

### **MACON COUNTY CLERK'S OFFICE BEGINS BIENNIAL CANVASS OF REGISTERED VOTERS**

A voter registration canvass is performed every other year by the Macon County Clerk's office to keep our voter records up to date. Voter ID cards will be sent to each registered voter in Macon County.

- If all the information on the voter ID card is correct, no action is required on behalf of the voter.
- Voter ID cards are not forwardable, so if the addressee no longer resides at the address on the card, it will be returned to the Macon County Clerk's office.
